FORGIVENESS

Nearly ten years before, a son and father had parted ways when the business they shared went bankrupt. The son blamed the father. They did not speak to each other again.

Then the father became seriously ill. The mother called the son and told him he had better come soon. The son walked sheepishly into the hospital room. The father motioned his son to him and whispered: "Did you ever think you could do anything that would keep me from loving you?"

Resentment and anger are foul things, the first reading from Sirach tells us. Remember the last things. Stop hating. Live by the commandments. As Saint Paul writes to the Romans, we are to live for the Lord and die for the Lord.

Jesus' parable in today's Gospel reminds us of God's compassion. The immense sin of humanity has been forgiven and stricken from the record. We are to forgive others in the same way.

A Message from the Pastor

© J. S. Paluch Co., Inc.

I hope everyone had a happy, healthy and blessed summer, especially all our children, as they are about to begin this new school year.

For the past four months there have been reports of vandalism and robberies in six Catholic Churches and a number of other religious organizations in Westchester County. Several parishioners in these places have been robbed too. As a result of the recommendations of the Police Department and our insurance provider, we had installed a security system with 36 surveillance cameras. The installed cameras are for the safety of our parishioners. The areas covered include our Church, our rectory and the parking lot. The current security system in our school will also be upgraded in September.

Our air conditioning system in the Church was replaced over the summer. The old system was 38 years old and needed to be replaced.

Landscaping work has started on the garden on Central Avenue by the school building. Certain sections of the garden will be assigned to each grade and can be dedicated to parish families in memory of loved ones.

The fence in the Church parking lot by the convent was replaced due to the significant number of problems with the old fence. A new white plastic fence has replaced the old one.

The upkeep of our facilities is key to ensuring the safety of our parishioners as well as the longevity of our parish plant.

Now that our place is secured. We are looking into hiring some young people to work as part-time receptionists at the rectory and weekend sacristans. Applications will be available by the end of September and will be in the back of church.

May God continue to bless our parish.

Blood Drive

Sacred Heart is hosting a blood drive next Sunday, September 24th from 8:30 am - 2:30 pm in the school gym. New York Blood Center needs your blood donation. They were able to assist blood centers in Texas and Florida after the hurricanes.
