Saint John The Baptist

Since June 24 falls on a Sunday this year, the Church has the opportunity for a more intense celebration of the birth of John the Baptist, who is often described as the last of the Old Testament prophets and the bridge between Judaism and Christianity. More commonly, John is known as the “precursor” of our Lord Jesus Christ. All the Gospels report John’s basic message: Repent, the kingdom is near at hand. One greater than I is coming.

Though he was a wandering preacher who dressed in camel skins and ate grasshoppers, John’s legacy is one of true royalty. His origins are similar to those foretold by God through the prophet Isaiah: “You are my servant, he said to me, Israel through whom I show my glory” (Isaiah 49:3). John’s humility—“I am not he”—was surpassed only by that of his Lord Jesus, the humble servant who followed.

.Saint Irenaeus' Story – June 28

The Church is fortunate that Irenaeus was involved in many of its controversies in the second century. He was a student, well trained no doubt, with great patience in investigating, tremendously protective of apostolic teaching, but prompted more by a desire to win over his opponents than to prove them in error.

As bishop of Lyons he was especially concerned with the Gnostics, who took their name from the Greek word for "knowledge." Claiming access to secret knowledge imparted by Jesus to only a few disciples, their teaching was attracting and confusing many Christians. After thoroughly investigating the various Gnostic sects and their "secret," Irenaeus showed to what logical conclusions their tenets led. These he contrasted with the teaching of the apostles and the text of Holy Scripture, giving us, in five books, a system of theology of great importance to subsequent times. Moreover, his work, widely used and translated into Latin and Armenian, gradually ended the influence of the Gnostics.

The circumstances and details about his death, like those of his birth and early life in Asia Minor, are not at all clear.
